

Level Of Price Support For 1954 To Be Determined Here December 15

The outcome of the cotton marketing quota referendum to be held throughout the Nation's cotton-growing area December 15 will determine the level of price support for cotton produced in 1954 and therefore is of vital concern to every cotton grower, says Paul C. Graves, Chairman of the Milam County Agricultural Stabilization and Conservation Committee.

The marketing quota program will be in operation for next year's crop, the chairman explains, if at least two-thirds of the votes cast in the referendum are in favor of the program. In that case the grower who stays within his acreage allotment will be eligible for 90 per cent of parity price support on his 1954 cotton. If his farm has more cotton acreage than the allotment, he will be subject to a 50 percent of parity penalty on his excess

cotton. If more than one-third of price support level to cooperators drops to 50 per cent of parity. Whether the vote is favorable or unfavorable, no price support will be available on cotton for the grower who overplants his cotton allotment.

The choice before cotton growers, according to Chairman Graves, essentially is whether or not they want a reduced acreage and 90 percent of parity price support. He explains that acreage allotments will be in effect even though quotas are disapproved and that compliance with such allotments will be required for eligibility for price support at 50 per cent of parity.

He suggests that specific questions which each grower will want to answer for himself are: Will my prospective income be greater from the allotted acreage (see "Support", page 12)

Milam Farm Bureau Elect Officers

John A. Smith Named President

John A. Smith

John A. Smith of Cameron was elected president of the Milam County Farm Bureau at a meeting of the Board of Directors on Thursday night December 3 in the District Court room.

Smith is a former member of the Board of Directors and for the past year he has been serving as 1st vice-president and the chairman of the Membership Committee. He succeeds Dennis Klein of Burlington who has served in that position for the past

three years. Klein was elected to the presidency by the organization in 1950. He is a farmer and stockman in the Burlington community.

Smith, who is the son of Mrs. John A. Smith, Sr., and the late Mr. Smith, was born and reared in Milam County. He is a graduate of Yoe High School and Texas A&M College. Smith is a successful farmer and stockman of Milam County. He and Mrs. Smith, the former Adeline Lovick, and their son, Johnny, live at 1005 N. Jackson in Cameron.

Other officers named by the Board of Directors were Robert Jungmann, 1st vice-president; Bruce Lindsey, 2nd vice-presi-

dent; Miss Lenora A. Bickett who for the past year has been employed as office manager, will also serve as secretary-treasurer of the Milam County Farm Bureau.

A revised Constitution and By-Laws was adopted at this meeting and a Board of 26 directors was elected to serve for this fiscal year. O. G. Tumlinson, was elected as a new member of the Board of Directors. William F. Arthur, is Service Agent for the organization.

The latest tabulation of the organization shows a double increase in membership. Approximately 1000 Milam County farmers and ranchers are enrolled.

A. L. Horstmann Elected President Of Cameron PTA Association

Officers for the Parent-Teachers Association for the Ada Henderson Elementary and Yoe High Schools of Cameron were elected at a meeting Tuesday evening December 8 in Room 21 of Yoe High School.

A nominating committee of which Rev. James McKeown was chairman, presented a slate of officers, and the nominees presented were elected by the group.

The officers elected for the current term are: A. L. Horstmann, president; L. R. Thompson,

first vice-president; Charles Brach, Sr., second vice-president; and Mrs. H. G. Haraway, recording secretary; Mrs. Jack DuBois, corresponding secretary; and Miss Lois Randolph, treasurer.

The next regular scheduled meeting of the association will be held on Thursday evening, January 7, 1954.

The association will be affiliated with the State and National Parent Teacher Associations, and has for its purpose the welfare of all children.

All persons interested in the local schools, their progress, and the welfare of the children of the community, as well as the community itself, are invited to become members of the association, and have a part in its purposes and programs.

Christmas Home Decoration Entries Due December 19

Those planning to enter the Home Decoration Contest for Christmas are urged to complete their plans so that work may begin in the actual erection of their scenes. All those entering are required to register with the Cameron Chamber of Commerce office not later than December 19, the deadline for entries.

This is one of the most beautiful contests in Cameron. It was extremely successful last year, and it is hoped that it will be even more so this year. Many people who entered the contest last year and many who did not, are making elaborate plans for the most beautiful decorations ever, and the competition will be keen.

Everyone is urged, if possible, to enter in this contest, not only for the prizes which will be awarded at the conclusion of the judging, but also to make Cameron a beautiful city during the Christmas holidays, to add to the Yuletide spirit, and to draw attention from out of town visitors.

A total of \$42.50 will be awarded in prize money this year with the first place winner receiving \$25. The third place winner will be awarded \$12.50, with third place award being \$5.00.

Robert Abel, manager of the Cameron Chamber of Commerce said that out-of-town judges will be secured. The judging will take place on December 21.

The decorations must be in the yard, on an open porch or clear inside decorations must be clearly visible at night.

Judges will not be familiar with the names of the contestants. Each entry must be completed not later than December 19 and must be entered, officially, in the contest by that date. Each contestant may enter the contest by contacting the Chamber of (see "Decoration", page 12)

Major General Sidney Johnson Inspects Local National Guard Unit

by Lloyd Albertson
Battery C, 649th Anti-aircraft Artillery Battalion, the local National Guard unit, had its most distinguished visitor on Sunday afternoon when Major General Albert Sidney Johnson, Commanding General of the 49th Armored Division, made a personal inspection of the unit.

The Battery's weekly drill period had been changed from Tuesday night to Sunday afternoon for the General's visit. It was reported that he made the trip down from Dallas to Temple by plane.

General Johnson was accompanied by a number of National Guard and Regular Army officers from 49th Armored Division headquarters in Dallas and 649th Battalion headquarters in Temple. They included Capt. Richard B. Dunbar, CWO Byron W. Hulien, Lt. Col. Olin F. Brewster, the 649th Bn's commanding officer, Major Robert B. McBurney, Major Charles F. Baker, Capt. Rob-

ert H. Wilds, Capt. Willis F. Horton, CWO Augustus P. Dean, Capt. Cleveland O. Buckellev, Lt. (see "General", page 12)

State Commission Authorizes Milam Highway Study

AUSTIN, Dec. 1.—The State Highway Dept., at the request of Milam County officials, will make a study and plan for development of county roads in this county.

The State Highway commission authorized the study today, after the Milam County commissioners court passed a resolution on Nov. 9 asking for it.

The working does not obligate the state to grant financial aid in construction of the roads the program shows are needed. Nor does it require the county to release control of its proposed system to the highway commission.

Engineering studies will be based on traffic studies and other factual data available through the Highway Planning Survey. Copies of the Milam county study will be furnished the county when completed.

School - Community Forum Holds Successful Meeting Tuesday Night

Approximately 120 persons attended the School-Community Forum in Yoe High School auditorium on Tuesday evening when a panel program on "Looking Back and Looking Ahead in Education in Cameron" was led by Dr. A. N. Donner, dean of the College of Education at the University of Houston, Houston. Parents, pupils, teachers and administrators formed the 15 member panel which the clever visitor directed into channels embracing almost every phase of present and future school affairs here.

Seventy-two persons had been approached by members of the panel during the week preceding the program, in an effort to gain opinions on what Cameron has and what Cameron would like.

Dr. Donner who came to Cameron five years ago to help with an evaluation program of the school, complimented the system on progress made since that time. He called attention to the fact that on his earlier visit, Cameron had only five teachers with Masters degrees while this year, that number has reached 21.

Comments from the various persons on the panel indicated that the community approves of attention given by faculty and principals to individual children; training in citizenship; the band; cafeteria; and the general school

program which was shown to be functioning smoothly. Much pride was shown in the expansion program now under way in the physical plant.

Under the heading of What Cameron Needs, most emphasis was placed on the need for increased facilities for farm shop courses, industrial arts, and, earlier, more inclusive commercial training. Mention was made that if typing could be offered from the Freshman level on through the Senior instead of just the upper classmen, pupils might be (see "School", page 12)

FHA Chapter, Pat Matula Win In Christmas Parade

The Future Homemaker's Chapter of Yoe High School was awarded the first place prize for their float entry in the Annual Christmas Parade which was held here Thursday.

The public has been extended a cordial invitation to attend this annual Christmas program.

Hearne Dentist Identifies Calvert Man As Crash Victim

The charred remains of the body of a man killed in a flaming automobile crash south east of Rogers was identified by a Hearne dentist Tuesday as that of James Clarence Halbert, 26, of Calvert, son of Mrs. Lillie Mae Griggs of Hearne.

The victim was identified by Dr. Jack Lyons through dental records, with the help of an uncle of Halbert, Sidney Bates of Rockdale.

Mr. Halbert was a tugboat engineer working in New Orleans, La. He was killed Monday night shortly after 8 p.m. when the 1949 Ford he was driving struck a concrete culvert, crashed into an approaching 1952 Chevrolet driven by Sgt. Walter C. Morton of Fort Hood.

Morton and his woman companion, Mrs. Ann Hare were slightly injured. They were taken to Temple by a Skinner ambulance from Rogers. Morton was taken to McCloskey V.A. hospital and later taken to the Fort Hood hospital. Mrs. Hare would not be examined at any of the Temple hospitals, and she asked to be taken to her home in Belton.

The car driven by Halbert was registered to Layne L. Caldwell of Hearne. Highway patrolman said apparently Halbert and a friend had attended a dance at Buckholts and Halbert left the dance early alone.

Patrolmen who investigated the accident said the Ford apparently traveling at a high rate of speed. The accident occurred in an area where construction is under way on Highway 190.

Halbert's charred body was taken to Temple in a Pace ambulance.

Yoe Cagers Drop Games To Marlin And Rockdale

The Cameron Yoemen were turned back Monday night by the Marlin squad 55-52 in the first basketball game of the season for the local team.

Coach J. R. Young said it was a typical opener for the team. Marlin has already played several games this season.

Fred Petmecky and Joe Michalka tied for scoring honors with 13 points each. Charles Eanes came in for second high honors with 10 points.

The remaining points were scored by W. K. Leonard, Jimmy Pettit, Dean Weathersby and Joe Lee Heitman.

The evening was opened with Marlin "B's" winning over the Cameron "B's", 47-27. Coach Young used several combinations to find his best players. Tom Collins, Bobby Williams, Bennie Massengale and Charles Heitman showed up good in the younger team.

The Cameron Yoemen went down for their second defeat Wednesday night in Rockdale before a more experienced team of Tigers, 50-37.

The Yoemen have only begun their practicing sessions. Coach J. R. Young stated the boys played a good game, despite the competition of more experienced Tigers, who have played several games this season.

Luetge of Rockdale took the high scoring honors for the game with 12 points. W. K. Leonard, Dean Weathersby, both Yoe cagers, and Cooke and Patterson of the Tiger team, each hit the basket for 10 points, and to tie for the second highest scorer. The remainder of the Yoe points were dumped in by Joe Michalka, Fred Petmecky and Charles Eanes.

The "B" game was a nip and tuck affair, with Rockdale getting the last nip, and winning, 38-33. Clore of Rockdale took the scoring honors for the B's by dumping in 17 points. Charles Heitman and Alton Witt of the Yoelets rolled in 8 points each and tied for second high scoring honors.

From where I sit ... by Joe Marsh

A Case of "Moostaken" Identity

Slim Smith never had a chance to use his moose call until a trip north this year. Visited him yesterday to see what he'd bagged. "First day out," he told me, "I picked up a trail. I sounded the call and waited. Then I heard a moose call. Sure enough, something came crashing through the brush. But it was another guy with his moose call. Boy, did I get my finger off the trigger in a hurry!"

"My last day there I picked up another trail. This time I got

me a real moose. But you can bet I took a good look before I did any shooting!"

From where I sit, we could all learn a little from Slim's experience. Most of us are guilty sometime or other of being too quick on the trigger. Like the fellow who would deny me the right to an occasional glass of beer with my dinner. I say that kind of "aim" is way off!

Law To Provide For Changes In Income Tax On Jan. 1, 1954

Commissioner of Internal Revenue T. Coleman Andrews has announced in Washington that the law provides for changes on January 1, 1954, in the rates for Federal income tax withholding and for employer tax and employee tax under the Federal Insurance Contributions Act for old age and survivors insurance.

This was reported by District Director of Internal Revenue R. L. Phinney, who explained that the rate of income tax withholding will be reduced from 20 percent to 18 percent and that the law increases the employer tax and the employee tax from 1.2 percent for each tax to 2 percent for each tax.

"These rates will apply to wages paid on or after January 1, 1954, even though the wages were earned in 1953," Director Phinney added.

"Tax tables for income tax withholding and for employee tax deductions on and after January 1, 1954, are included in a new revision of Circular E, Employer's Tax Guide," Director Phinney said. "District Directors of Internal Revenue will mail Circular E before December 31st to those employers who have been reporting the taxes each quarter on Form 941."

Incurable Cases

Case L-450 is a 36 year old war veteran.

"Before you even examine me I think it fair to warn you that my case has been declared incurable," he informed me on his first visit to my office. "Ever since returning from service I have been bothered with nervousness, indigestion and headaches. More recently I have a great deal of muscular soreness, being worse in my lower back and legs. It has now gotten so bad that I cannot walk without crutches or some assistance."

"Doctors who have attended me have been very considerate, but tell me that my case is incurable, as my trouble is probably coming from war injuries."

"Dr. Boyce, I am anxious to find out if you can do anything for me."

ANALYSIS

It has always been my policy to make no claims for my profession which I have not accomplished many times.

It has been my pleasure to assist the blind to see, the deaf to hear, and the paralyzed to walk while they were under my professional care. But there was nothing miraculous in any of these cases. They regained their health according to the laws of nature. I regret that there have been some whom I have been unable to help. Nerves control all the bodily functions. Most illnesses are caused by a disturbance in this nerve force flow. As a Chiropractor it is my specialty to locate and correct any points of nerve pressure in the body, thus removing the cause of disease. Health usually results.

Complete recovery of above patient again demonstrates that because a patient has failed to get well under other methods of treatment it does not mean that he cannot get well under Chiropractic care.

IF YOU HAVE ANY HEALTH PROBLEMS AN INTERVIEW WITH DR. BOYCE MAY LEAD TO A SOLUTION OF THESE TROUBLES.

The dining room table was laid with a lace cloth and centered with an arrangement of white chrysanthemums and pink pencil candles. A similar arrangement was placed on the buffet.

A silver service marked each end of the table. Mrs. James Brock poured coffee and Mrs. Thomas Nance assisted at the opposite silver service. A supper course of fancy sandwiches, green and pink decorated cake squares, stuffed celery, olives, salted nuts and coffee was served.

Those attending the supper were the honorees, Mr. and Mrs. Jess Brock, Mr. and Mrs. T. A. Milam Baptist Worker's Conference To Meet In Thorndale

The Milam County Baptist Worker's Conference meets at First Baptist Church at Thorndale, Friday, December 11.

Guest speakers for the Association's conference will be Rev. B. T. Griffin, missionary from Africa and Rev. J. B. Perkins of Waco.

Rev. Aubrey Russell, pastor of the Cameron First Baptist Church urged as many members as possible of the local Association to attend.

Tanglewood Baptist Church Members In Need Of Help

The pastor of the Pleasant Grove Baptist Church, which is located about 2 miles from Tanglewood, dropped by the Herald office Wednesday afternoon, and said the members of the Tanglewood Baptist Church are in need of help. The church building was completely destroyed by the tornado which ripped through Tanglewood early Wednesday morning.

Walter H. Krueger, Chev 4 dr., Ideal Motor Co.
Texas Power & Light Co.
Chev. Tudor Grabein Chev. Co.
Eddie R. Meadows, Chrysler 4 dr., Green Motor Co.
Henry T. Shehee, Plymouth 4 dr., Green Motor Co.
M. J. Pierce, Chev. 4 dr., Louis G. Gest.

He stated that the building carried no insurance.

Anyone who would like to contribute should send their contributions by mail to the Tanglewood Baptist Church. The Pleasant Grove pastor said the members of the parish would be most grateful for any contributions.

Twenty Pianists To Perform In Austin Coliseum

Have you ever seen and heard twenty pianos being played together by twenty pianists at the same time? You will have an opportunity to enjoy such a program at the city coliseum in Austin, Texas at 8:15 p.m., Saturday, December 12.

Admission will be free. This unusual event is being staged by J. R. Reed Music Company of Austin in observance of the 100th anniversary of Steinway & Sons, famed piano makers. J. R. Reed

music company is authorized Milam county dealer for Steinway pianos.

Most of the pianists are members of the Wednesday Morning Music Club of Austin, an organization which has been very successful city for many years. Two men will perform in the group as guest pianists.

Ezra Rachlin, conductor of the Austin Symphony Orchestra and himself a Steinway artist, is contributing his services as director.

Fredrick Steinway, of Steinway & Sons of New York will be a special guest of J. R. Reed Music Company for this occasion.

The music to be heard consists of carefully selected numbers to appeal to the general public. The show will open with "The Star Spangled Banner" and close with John Phillip Sousa's "Stars and Stripes Forever".

Water Distribution System Notice Of Intent To Increase Water Pressure In City of Cameron

Publics notice is hereby given that the pressure in the City of Cameron water distribution mains will be increased soon due to the installation of the 300,000 gallon elevated storage tank.

This increased pressure may cause leaks in some existing piping and plumbing now in a weak condition that have not heretofore been giving trouble under the water pressure carried in the City water distribution system.

It is anticipated that the increased water pressure will become effective during the latter part of December 1953.

You are advised to have your plumbing inspected prior to the time this increased pressure becomes effective.

The City of Cameron assumes no responsibility for any damage caused by the increased pressure in the water distribution system.

Heads Heart Fund

Appointment of Dr. W. R. White, President of Baylor University, to head the annual Heart Fund campaign in Texas during the month of February was announced by Dr. Joseph F. McVeigh of Fort Worth, President of the Texas Heart Association.

Though his office is located on the main university campus in Waco, Dr. White's responsibility extends also to administration of the Baylor College of Dentistry and Baylor Hospital in Dallas and the Baylor College of Medicine at Houston.

Dr. White spent much of his life in the pastorate of some of the largest Baptist churches in the Southwest, including Greenville, Lubbock, Fort Worth and Austin. He was leader of the Texas Baptist Convention and one of the founders of the Baptist Foundation of Texas.

The Texas Heart Association and its Chapters throughout the state have contributed equipment and research funds to the medical schools of Texas, as well as helped to establish community cardiac clinics and educational programs for physicians and the public.

In accepting the chairmanship, Dr. White said:

"Funds subscribed by the people of Texas in this campaign will be used to fight diseases of the heart and blood vessels, both locally and nationally."

"These diseases take a greater toll of human lives than all others combined, a fact which underscores the importance of a concerted effort to combat them through medical research, professional and public education and community programs. I am confident that the people of Texas will again respond generously to the 'Help Your Heart Fund - Help Your Heart' appeal."

HS Graduate Can Now Apply For Pilot Training

Air Force Headquarters in Washington has recently announced a lowering of qualifications for Pilot training Beginning on Nov. 1, 1953, high school graduates may apply for the course.

Currently only men who have completed two years of college, qualify.

Captain Fred W. Muller of the Aviation Cadet Selection Team at James Connally Air Force Base said, "though the qualifications will be lowered, the standards the men must maintain in training have not been reduced."

For the first time since World War II, a young man with a high school diploma can apply directly from civilian life for Pilot training.

In addition to being a high school graduate, an applicant must be between the ages of 19 and 26 1-2, single, and in good physical and mental health.

Even though the high school graduate can now apply for Pilot training, the Air Force encourages the individual to continue his education if at all possible. Better educated men will be better men to train.

For information on both the Pilot and the Observer Training, visit the Aviation Cadet Selection Team, located at: Court House Cameron on the 17th of December between the hours of 11-1p.m. and 5-8p.m. For men unable to visit the Team at the above location, information can be obtained by phone, letter or a visit to the Team office at James Connally Air Force Base, Waco, Texas.

Texas Schools To Take Part In 12th National Clothing Crusade

Texas schools have been asked to take part in the Twelfth National Children's Clothing Crusade to collect clothing to aid Korea, seven countries of Western Europe, two southwestern Indian Reservations, and isolated rural areas of eight southern states it was announced today by Leland D. Carmack National Representative of Save The Children Federation. Every family in Texas is being asked to send a bundle of good, serviceable clothing to school during the week of the drive, March 22 - March 27. Universal participation of Texas schools is expected this year in the drive which is conducted under the auspices of a national committee of school superintendents. The clothing will be distributed by Save The Children Federation, a child service organization which renders aid not only to neglected children in America but also to victims of war overseas.

Clothing for Korea will be sorted and reconditioned in Federation Clothing Centers and then shipped to Korea where it will be distributed through the United Command. Federation officials report that there are nine million victims of Communist aggression in Korea desperately in need of aid, as well as millions still in need in Europe where in certain areas conditions are still tragic. Thousands of children in handicapped rural areas of America are unable to attend school as a result of being inadequately clothed. Officials of Save The Children Federation, report that thousands of America children do not attend school as they lack sufficient clothing.

Besides the clothing distribution program, Save The Children Federation administers child and school sponsorship programs in America, overseas, and on Indian Reservations in the southwest. The clothing drive in Texas is expected to raise 70,000 pounds of clothing Mr. Carmack reported, and added, "The Bundle Week Drive will be the greatest effort ever made in Texas schools to collect clothing. If each family in Texas will send at least one bundle of good clothing during Bundle Week, the goal will be reached."

Airman White is a graduate of Cameron High School. He entered the Air Force on May 7, 1953.

Christmas Party Called Success Thanks To Everyone Who Helped

Robert Abel, Manager
Chamber of Commerce

An estimated 5 to 10,000 people lined the streets of downtown Cameron to welcome Santa Claus and his five live reindeer to Cameron last Thursday. The big celebration in Santa's honor included many floats, decorated bicycles and several horses and riders. Music was furnished by the Thorndale High School Band, the Rosebud High School band, the Yoe High School Band and the United States Air Force Band from Bryan Air Force Base.

The parade was led along a nine block route through the heart of the city by the Mayor and City Councilmen riding in the city's new police car, by Patrolmen Otis Hilderbrand and John Blansit of the Texas Highway Patrol and by a city fire truck loaded with laughing and shouting small fry.

The prizes awarded for the best floats and bicycles were as follows: for floats, parade judges awarded 1st prize of \$15.00 to the Future Homemakers of America, a 2nd prize of \$10.00 to the Bethel A.M.E. Church, a 3rd prize of \$7.00 to the Clarkson School and a 4th prize of \$5.00 to the Cameron Welcome Service. For bicycles, the judges awarded 1st prize of \$5.00 to Pat Matula, 2nd prize of \$3.00 to Peggy Moseley, and two third place prizes because of a tie to Fred Guillex and Pamela Green for \$1.00.

Louis McKee, Chairman of the Trade Development Committee of the Cameron Chamber of Commerce, who was responsible for the coordination of the entire Christmas program, stated that planning promotion of the parade was a true community project. The Junior Chamber of Commerce erected the overhead street decorations, the Business & Professional Women's Club assumed the entire job of sacking and distributing Christmas presents to the children.

Jimmy Koranek, distributor for the Curtis candy company, donated cookies for the Christmas packages, Texas Power & Light Company donated and erected several cables for overhead decorations, Gene Blake, Coca Cola Bottling Company, furnished free Coca Cola for members of the bands participating in the parade and Narvie Caperton's Variety store donated paper sacks for Christmas gifts.

Members of the local National Guard Unit and Boy Scouts escorted Santa's sleigh and Explorer Scouts helped Mr. and Mrs. Santa distribute gifts. The annual Civic Garden Flower show was highly instrumental in making the occasion more colorful, more interesting and was a big success. Every year this part of the Christmas program attracts a large crowd to see the unusual flower displays. These people and many others who acted as j.c.g. help direct traffic, distribute refreshments, build floats, decorated bicycles and marched in the parade where all responsible for the success of this event.

Knights of Pythias Elect Officers At Monday Meeting

Officers for the Knights of Pythias, Milam Lodge No. 125 were elected to serve for the next semi-annual term at their regular meeting Monday, November 30.

A. J. Smith was elected to serve as Chancellor Commander. Other officers elected were: Bert Nicholson, vice-chancellor; James A. Cryer, prelate; James Miller, master of works; and Allen Dodson, secretary.

Inner guard, outer guard and master of arms will be appointed by the elected officers at a later date.

The Rank of Knight was conferred at this meeting.

Milam Lodge Number 125 is making an extensive drive for gifts to the Christmas Cheer and Endowment Funds this year. Goals for the Christmas Cheer fund has been set for \$350.00, and a goal of \$1000.00 has been set for the Endowment fund of the Milam Lodge. Due to increased operating costs and repair to the Home properties, the need for funds is greater this year than ever before.

Any Knight or friends of the Order of Knights of Pythias are invited to have a part in giving to this worthy cause. An offering may be given to any Lodge member or mailed to Allen Dodson, secretary of the local Lodge. Dodson said all members were

especially invited and urged to attend the meeting Monday evening, December 14 at 7:30. The Lodge will be honored with the presence of H. M. Rainbolt of Big Spring, the Grand Chancellor of the Knights of Pythias of Texas. Rainbolt will deliver the principal address.

Alton Fuch Member Of Team Placing In Chicago Exposition

The Texas A&M College Poultry Judging team participated in the International Livestock Exposition in Chicago and topped all other teams with a first place in the Poultry Judging contest.

Charlie Kammerdiener of Galveston took individual honors when he scored the highest number of points. He received a cup and a watch.

Alton Fuchs of Cameron was the individual runner-up, placing second, and only six points behind his teammate, Kammerdiener. He received a watch.

The third member of the Texas A&M team, Eugene Rozachy of Taylor placed sixth in individual scoring and was also awarded a watch.

Alternate for team was Jim Newman of Garland.

The Texas team scored 145 points more than the second place winner at the Exposition.

Instructor of the Senior Poultry Judging team is E. D. Parnell, who is a faculty member of the Poultry Husbandry Department of A&M College, and a former teacher here.

Before reaching Chicago, the team visited the University of Missouri, where they held a practice session. On their return trip, the group visited in the Purina Research Farm at Gray Summit, Missouri.

Books Collected For Use Of Members Of Armed Forces

More than 100,000 books for members of the armed forces, collected mostly by Texas children, are arriving daily in lots of hundreds and thousands at the state Selective Service System warehouse in Austin.

Texas truckers, members of the Texas Motor Transportation Association, are bringing in the books free of charge from more than a score of Texas communities, James E. Taylor, association executive secretary, said.

The truck operators began their work as an observation of Truck Transportation Week in Texas, a state recognition of the fiftieth anniversary of the trucking industry.

Children collected books over a three month period in cities the size of Houston and Dallas down to towns like Vernon and Denison. Some children brought in hundreds of books each, going up and down streets in little red wagons and other children's play vehicles to haul them.

Newspapers and radio and TV stations co-operated in letting the public know about the book drive. Publishers, theatre executives, and draft board people in some towns went into the schools to tell students about the book shows.

The collection of books is planned as a memorial for an East Texas soldier who died in Korea, Private First Class Douglas E. Humphrey of Kirbyville.

Army Adopts New Reenlistment Policy

The Army has adopted a new and more liberal reenlistment policy which makes many ex-service men eligible to reenlist in a higher grade than was formerly possible, according to M-Sgt. Stephen J. Richard of the US Army

All former service members interested in reenlistment under the program are urged to contact the US Army and US Air Force Recruiting Station located at the Post Office, Temple, Texas for further information.

Texas Cotton Forecast Tops 1952 Yield

Washington—A 1953 Texas cotton crop of 4,350,000 bales — 600,000 bales above the 1952 crop was forecast Tuesday by the Agriculture Department.

The national crop estimate was 16,437,000 bales — 344,000 bales more than the 16,093,000 forecast a month ago and far above the production goal of 12,000,000 bales set by Secretary of Agriculture Benson.

The department estimated 9,000,000 acres for harvest in Texas and a yield of 232 pounds an acre.

The report was final for the year.

The big crop helped create a surplus supply that has led Benson to invoke rigid marketing quotas on the 1954 crop for the purpose of restricting output. The quotas will be submitted to a grower referendum December 15. Approvals by at least two thirds of those voting is required to make the quotas operative.

This year's crop compares with last year's production of 15,139,000 bales and with the 10-year (1942 - 51) average of 12,215,000 bales.

Supplementing the crop is a carry-over reserve of about 4,500,000 bales from previous crops.

Rattle Snake Found In Down Town Area

A rattle snake with eight rattlers was found near the Grabein Chevrolet car lot last week by two children, Emma Nell Konig and Kenneth Harding.

They said they stopped by the car lot to look at the cars, but was soon surprised by a large snake coming toward them. They killed it by throwing their open

pocket knives at its head. After killing it they removed the rattlers and have them at home to prove their catch.

LaVega Pirates Whip Gonzales Apaches, 28-0

The tough Pirates from LaVega, under the guiding hands of Coach Paul Smith, mauled and trilled the Gonzales Apaches Friday night 28-0 in LaVega to take the AA regional game.

The Pirates ate up 244 yards rushing, while Gonzales only gained 82. LaVega had 50 yards passing to 57 for the Apaches.

The Pirates penetrated three times before the tough Bucas could manage to finally push over the first TD. It was a Gonzales fumble on the 22, which was recovered by LaVega, that set up the first TD. Floyd Dellinger cut through from the 2 into paydirt and added the extra point. The half ended 7-0.

It was Bennie Nolen, Wylie Heath and Dellinger driving 95 yards to the second Pirate TD. Dellinger carried over, and booted his second conversion.

For the third TD, Dellinger took a pass from Donald Pringle and raced 25 yards to the Gonzales one before being brought down. Pringle went through for the third TD.

Dellinger intercepted three Gonzales passes in the final eight minutes and the second one led to the final LaVega touchdown. Ronnie Gilbert added the remaining yards for the TD.

The clock ran out with LaVega ahead, 28-0, and with 6 penetrations to none for Gonzales.

Coach Smith's Pirates will meet Huntsville at Thomason Field next week for the class AA state quarter-finals. The mighty Huntsville team came from behind to whip Jasper, 19-14 Friday night. Huntsville is undefeated and untied.

Judge Kieke Files Petition

Judge M. F. Kieke, attorney for Lexington, Giddings, and Lee County filed a petition with the Interstate Commerce Commission asking that the entire Commission set aside the recommendations of its examiner and of Section 4 that the T&NO application on to build a spur into Alcoa, Rockdale works be denied.

The Examiner, originally recommended that the application by T&NO be denied because public convenience and necessity did not require additional rail outlets for the Alcoa \$100 million industrial plant at Sandow.

Judge Kieke's petition last week was filed in support of a similar petition filed by the T&NO attorneys.

The final decision as to the fate of the T&NO application rests with the Commission as a whole. Previous findings by the examiner and by Section 4 were recommendations to the entire Commission.

The new petitions are based upon errors that appear in the findings of the examiner and of Section 4. -Lexington Enterprise

School Bonds Are Voted At Rockdale

A \$500,000 school bond issue was voted in an election called by school board officials of Rockdale to provide additional funds for construction of a new high school building and for repairs of the present building. No additional cost will be added to the taxpayer, it was said.

Recently the school board announced that \$330,000 remained in bonds from a \$1,000,000 bond issue of 1952. The \$500,000 bond will be added to this surplus in furthering the new school plant. An estimate of \$650,000 has been made by the board as the approximate cost of a new and modern school plant. The building will be on property now owned by the district.

LIQUID OR TABLETS - SAME FAST RELIEF

Editor's note: The Little River Philosopher on his Johnson grass farm at Little River is worried about the farm surplus this week, although as he says, he had very little to do with creating it.

contribute to the surplus of agricultural products now said to be botherin this country. I was readin in a news paper last night which I was hur- yin to get through with so it'd be ready to start a fire with this mornin where a

high official in the Department of Agriculture says price supports and production controls are bad because they may bring on unemployment among non-farmers and cause "terrific repercussions in our entire economy."

He went on to say "actually the number of people who earn all or part of their daily living through transporting, processing, packaging and merchandising of products of our farms exceeds those actually engaged in agriculture itself. An over-all reduction in farm output can have terrific repercussions in our entire economy."

As I understand this, he is asking farmers to produce all they can, regardless of how big the surplus is or how much they lose at it, so the truck drivers for example can have something to haul.

Now while I never had given much thought to my responsibility to go up one row and down another out here on my Johnson grass farm so the truck drivers could have something to do, I can see this agricultural expert has a point.

But I've been thinkin, It's a lot of trouble to keep on producin stuff, whether cotton or corn

below cost, yet at the same time or wheat or rice, at a price that's nobody wants to throw the truck drivers out of work, and I've been wonderin.

Why couldn't the government let us farmers reduce our production so we can keep the price up, and then to keep from workin a hardship on the truckers, let them just haul the surplus we already got on hand, back and forth? For example, we've got several million bales of cotton on hand. Why can't they just haul that around a while until we work off some of the surplus? What difference does it make to a truck driver whether he's haulin the same bale of cotton or a new one? It's not that us farmers don't mind spinnin our wheels growin unprofitable stuff, but turn about is fair play and it ought to be the truckers' time to try it.

As I see it, it's really easier for a trucker to haul the same load of cotton back and forth across the country than it is for farmers to keep on producin something new for him to haul. It out the fillin stations and road-saves loadin and unloadin, helps side cafes, and takes a lot of work off us farmers.

The last thing I want to do is bring on an economic catastrophe, but at the same time I don't see why I ought to keep on workin at a loss just to give somebody something to haul around. Let em haul the same stuff around till it's worn out, and then we can see about pilin up another surplus for em.

Your faithfully,
J. A.

Mr. and Mrs. E. C. Burns and sons, Ronnie and Michael of Orange were weekend guests of Mr. and Mrs. Waymond Gresak.

Mrs. M. E. Mitcham returned home Sunday after treatment at Scott & White Hospital the past week, and is improving nicely.

Two Buckholts business houses have changed hands recently — Frank Kehut, a dry goods merchant here for more than twenty years sold out to Mrs. John Buras. The business will now be known as "The Burtis Dry Goods Co."

The Mitchell and Glaser Grocery and Market has been purchased by Elbert Svetlik.

Mr. and Mrs. H. W. Frazier were in Copperas Cove Saturday visiting her parents, Mr. and Mrs. Lewis De Wald.

Mrs. W. D. Porter spent Monday and Tuesday in Ft. Worth as a guest of her sister and brother-in-law, Mr. and Mrs. Arthur Barboza.

Mr. and Mrs. B. M. McMillon and her sister, Mrs. Etoile Wittberg were visitors in Austin

Monday as guests of Mrs. Wittberg's son and daughter-in-law, Mr. and Mrs. James Barclay.

Mrs. C. R. Criswell was a visitor in Cameron Monday.

Austin Lady Guest Speaker At Walker's Creek HD Meeting

The Walker's Creek Home Demonstration club met Friday, November 27 in the home of Mrs. J. D. Boecker.

The business session was conducted by the president, Mrs. J. H. Angell.

Mrs. V. L. Angell gave the council report.

The nine members present discussed the plans for the Christmas party. Mrs. Carroll Young of Austin brought an interesting program. She gave instructions in copper-craft and basket weaving.

The members and their guests Mrs. Young, Mrs. Jack Laffere of Ben Arnold and Mrs. Ivan Vogelsang of the Vogelsang Community enjoyed a covered dish luncheon during the noon hour.

The club met again at the Walker's Creek School House on Wednesday, December 2 for an all day-quitting party.

The group of eleven members and seven guests, finished two quilts and enjoyed a covered dish luncheon at noon.

During the afternoon the members held a business session and final plans were made for the club's Christmas party. The party will be held on December 18 at 7 p.m. in the Walker's Creek School House. A turkey dinner and all the trimmings will be served. The members will have a decorated Christmas tree at the school.

Guests present for the quilting party were Miss Katie Nisbett of the Salem Community; Mrs. J. T. Wise, Mrs. Roy Newton, and Mrs. John Thweatt, all of Maysfield; Mrs. Mamie Dobbins of Cameron and Mrs. Roger Delahunty of the Walker's Creek Community.

Mr. and Mrs. Howard Idle and

2 daughters were visiting in the home of Mr. and Mrs. L. B. Dukes last week.

Marvin Brannon was called to Houston last Thursday, where

both of his sisters were sick in the hospital. He has returned to his home.

Mrs. L. J. Eastwood and daughter of Luling spent the week-

end here with her father, R. E. Thweatt.

SUPPORT—

and 90 per cent of parity price support, or from an unlimited acreage and whatever the market will bring for the crop? What effect will this decision have on my income in future years in the light of current and prospective large surplus supplies of cotton? What would be my decision if I could decide for all the cotton growers in the country?

Chairman Graves emphasizes that he cannot and will not indicate how cotton growers should vote, but he emphatically urges all growers to vote in the referendum. In his opinion, the decision will have far-reaching effects and the question deserves the serious study and the careful consideration of all who grow cotton.

The referendum will be held between the hours of 8:00 a.m. and 7:00 p.m. on December 15 at the following polling places: C. F. Nolte's Store, Ben Arnold, (Maysfield School) Recreation Hall, Maysfield Woodman Hall, Milano American Legion Hall, Rockdale Thorndale State Bank, Thorndale, Domino Hall, Sharp Cecil Criswell's Cotton Office, Buckholts, Milam County ASC Office, Cameron.

Milano FHA To Hold Program In School Auditorium Dec. 16

The Milano Future Homemakers of America Chapter is sponsoring the personal appearance of Slim Whitman and all the Stardusters in the Milano School Auditorium on Wednesday night, December 16.
Slim Whitman, an Imperial recording star, is presently appearing on the Louisiana Hayride, and is the composer of many hits such as the "Lovesong of the Waterfall", "Bandara Waltz", "Amateur in Love", "Keep it a Secret" and "Indian Love Call".
Whitman was a former professional baseball player. He gave up active baseball in 1948 and began singing on several radio

stations. In 1949 he joined the Mutual Network for a series of programs with "a group of swell fellows from Texas way", the Lighterest Doughboys, and after this series he moved to Shreveport, Louisiana to join the "Louisiana Hayride", which originates there at station KWKH.
Whitman's first chance to record his songs was by way of a RCA Victor recording contract, back in the first days on "Louisiana Hayride". One of his recordings, "Indian Love Call" came to be not only a big "hit" in the western field, but also in the top ten records in the popular field at the same time.
The members of the Milano F. H. A. Chapter are extending a cordial invitation to the public to attend this show.

GENERAL—
Col. Bob A. Haenel, Lt. Col. J. Emery and Lt. John H. Rauschen, Jr.

After inspecting the Guardsmen in ranks, during which he asked frequent questions about their job assignments in the Battery, training and civilian occupations, Gen. Johnson observed the instruction being conducted in the different classes in first aid, camouflage and gun crew training. Then later in a short informal speech he told the Guardsmen he was pleased with the excellent rating they had received at summer camp at Fort Bliss, and urged them to continue to maintain the high standard. It is no fun, he remarked, to belong to anything but a first class team.

Gen. Johnson and his party returned to Temple immediately

after the end of the drill period.

SCHOOL—
better able to find summer or part time employment. Also the need for training on business machines was brought out.
(Idleness and boredom have been offered by some educators and psychiatrists as a reason for the alarming increase in crimes committed by adolescents.)

The Tuesday evening program was the first of five general areas which are to be explored in similar fashion. At the next meeting, aims, offerings, concepts and outcomes of teaching in Cameron are to be brought out. The third meeting will be on youth in the Cameron Community; the fourth will be on ways of teaching in Cameron; and the fifth, on finances, issues in education, and how a school building is used.

The University of Houston will provide leaders for each panel and Dr. Donner himself will return for the final program. His pleasant, friendly and helpful attitude shown on the platform on Tuesday evening and on his several previous visits have won him the respect and esteem of the community.

Assisting him with the panel discussion Tuesday were: Mrs. O. B. Harden, Mrs. Carroll Green, Hilliard Thomas and A. W. McCullin, representing the parent group; Ann Hinyard, Tom Collins, John D. Reichert and Gaila Griswold, representing the student body; Supt. W. T. Hanes and Principals S. M. Layfield and Wiley Loughmiller, school administrators; and Mrs. Roy Hensley, Mrs. Herbert Nance, Miss Ada Margaret Smith, and Dick Young,

faculty.
Refreshments were served in the library at a brief social hour following the program. Mesdames W. T. Whatley and L. R. Thompson and Miss Pat Sken were in charge of the refreshment service.

DECORATION—

Commerce office, where they will receive an official entry card.

There are no restrictions on entering the contest. That is, everyone within the city limits may enter the contest. The amount of money spent on your decorations will not necessarily have a bearing on the chances to win. Many kinds of materials and arrangements may be used with little expense, but with a great deal of effectiveness.

QUEENS—

escorted by Woodrow Lynch; Jane Pitts, Sophomore class princess, escorted by Nick Nabours; and Barbara Aigner, Senior class princess, escorted by Billy Rae Reddehouse.

The coronation was the climax of a contest conducted by the students since September.

The carnival netted \$795.94. It was announced through the superintendents office that one-third of the profit will go to the cafeteria fund. The balance goes to the Ada Henderson School and Yoe High School activity fund. It will be used to carry on various school activities during the remainder of the year.

L. Van Perkins of Austin visited relatives and friends in Cameron this week.
